Admission to Special Summer Programs

Designed for selected students who have completed their freshman or sophomore year of high school, First Step students will be allowed to take up to four credit hours in the specialized courses for the cost of one credit hour, plus materials fees or laboratory fees, if applicable. The course instructor must grant permission. Final acceptance into FIRST STEP is made only after a personal interview with the instructor during which the student is asked to demonstrate his or her interest with supporting materials such as printed matter, tapes, or portfolio presentations.

For admission into the FIRST STEP PROGRAM, the student must submit an application for admission to Union University, an application fee, a high school transcript indicating the ability to do progressive introductory work in a college environment, a completed medical history form and applicable fees. Private bedrooms and several meal plans are offered at regular college rates if students desire to live on campus.

Rising High School Senior Program

Exceptional high school students, after completing the junior year of high school, may earn college credit for advanced placement by attending one or both summer terms at Union University. The Rising Senior Program is designed for selected high school students who:

The student will sign a contract at the time of admission defining the status of a provisional student accepting the limitation of that status. The student must also sign a waiver so that Union University will have the right to request those documents needed to complete the admission file.

A student may remain on provisional status for only one semester and the subsequent short term unless special circumstances exist and permission for and extension is given in writing by the Director of Admissions. A personal conference with the Director of Admissions may be required before the student is accepted for admission on a provisional basis.

Some students may be admitted in this category if they desire to take courses primarily for special interest or on a "visiting student" basis for a maximum enrollment of 12 semester hours. Often these students are enrolled in other institutions and are enrolled for only one or two terms at Union. Classes may be taken for credit or audit on a space available basis. Students must meet all requirements for admission to change from Non-Degree Seeking status to Degree Seeking status. A personal conference with the Director of Admissions is required before the student is accepted for admission on this basis. Students admitted as non-degree must reapply each semester/term.
