ADULT STUDIES/CONTINUING STUDIES

BACHELOR OF SCIENCE IN ORGANIZATIONAL LEADERSHIP

Curriculum

The Department serves undergraduate non-traditional adult students in degree-completion programs, undergraduate and graduate certificate programs, and continuing education initiatives at the university except those of the School of Nursing. It focuses, as well, on community extended learning efforts.

The Bachelor of Science in Organizational Leadership for Adult Undergraduate Cohorts, is a degree completion program designed to meet the needs of working adults. The program allows the completion of the Bachelor of Science in Organizational Leadership, BSOL, degree in as little as 18 months. The program is for adults with 2 or more years of college credit and at least 2 years of relevant work experience. Each student becomes a member of a cohort that remains together for the 14 courses of the major. The BSOL is designed to enable adult students to become more effective managers and leaders.

The BSOL major may be completed with a concentration in one of five areas: Organizational Management, Health Management, Church Leadership, Project Management, or Criminal Justice Administration. On occasion, the BSOL major may be modified for a cohort to focus on a particular profession or field of interest. Check with the Continuing Studies Office for details.
