

CERTIFICATE IN INTERNATIONAL HEALTH CARE

COLLEGE OF ARTS AND SCIENCES

The purpose of the Certificate in International Health Care is to enhance the knowledge and clinical skills of domestic and/or international nurses and to promote an awareness of intercultural relationships. The two-semester program will provide curriculum that incorporates didactic instruction, clinical laboratory and simulation experiences, and anatomical instruction in the cadaver lab. The program will prepare the international nurse for additional licensure and certification for service at the domestic and/or international level. The intercultural studies component of the program will present foundational concepts of intercultural communication and promote the development of intercultural competence, especially in health care settings.
