Mission Statement

Union University is uniquely positioned as a leader in 21st century missions. Furthermore, Union's broader mission of supporting interculturally-engaged, Christ-centered education that promotes excellence and character development in service to Church and society.

The CIE "Iteam" consists of staff and faculty members who are committed to providing guidance, support, instruction, and development for intercultural academic initiatives grounded in current theory and research, current practices found across the academy, the International Education Industry, and our core values.

The CIE partners with both academic departments and various divisions of student services to develop and implement interculturally-engaged curricular and co-curricular programming in two broad areas: the Study Abroad program and the International Student Program.
