
The following is a brief description of campus life at Union University and the various organizations and services that contribute to its unique community. A more complete list of campus organizations and resources is available at www.uu.edu/studentlife.

Barefoots Joe, located in the Student Union Building, and Modero, located in The Logos library, are Union's two specialty coffee shops. Each provides single-origin, specialty (top 10% in the world) coffees and espresso blends, as well as a full range of espresso drinks, teas, smoothies, coffee sodas, and other drinks. We serve fresh pastries in both shops, and a rotating menu of lunch foods in Modero.

Barefoots Joe and Modero provide the community with places to converse with others and to read, think, and reflect about the matters of the classroom and beyond. While both shops aim to promote the arts, Barefoots is uniquely situated as a venue to invite more substantial engagement through hosting concerts and art exhibits, as well as a number of student events focused on the arts. Barefoots hosts events once or twice a month.

The mission of the Center for Academic Success (CAS) is to facilitate learning, development, and academic achievement by assisting students with appropriate strategies and behaviors to increase each student's learning efficiency. Through carefully designed support programs, tutoring services, and study strategies, our goal is to foster student intellectual growth that encourages our community of learners to make the most of their intellectual opportunities at Union.

The Center offers both support programs and services

The Union University Library, housed in The Logos, offers both traditional and contemporary information resources. Books, e-books, periodicals, e-journals, media and electronic resources are available for use by the students, faculty, and staff of Union University. The library offers three computer labs, a variety of study spaces, presentation and collaborative work spaces, several reading rooms and a recording studio. Special collections and the university archives are located on the third floor. Professional librarians provide instructional assistance and offer a research coaching service to assist students throughout their academic journey. The library's home page is found at www.uu.edu/library. As a member of OCLC's WorldShare™ system, the library at Union participates in a nationwide network. Interlibrary loan services are available using the OCLC and DOCLINE loan systems.

The mission of Residence Life at Union University is to provide a holistic living and learning environment where academic scholarship is developed, distinctive relationships are formed, servant leadership is practiced, community values are upheld, and biblical restoration is provided. To this end, all full-time undergraduate students are required to live in Union's residence halls unless the student meets the requirements outlined in the *Campus Life Handbook* or an exception is granted

The Writing Center serves to make better writers on the campus of Union University. We pursue this goal by training graduate and undergraduate Writing Consultants to coach students to improve any writing assignment by employing a better writing process. The Writing Center offers free peer tutoring as well as writing-related workshops to all Union students. For more information, or to make an appointment, visit our website at www.uu.edu/writingcenter.
